25X1 MEMORANDUM FOR: [REDACTED]  
Administrative Officer, ORR

25X1 SUBJECT : [REDACTED]

25X1 1. I have reviewed [REDACTED] file and feel that we  
probably could use him for at least a year on the Vietnamese Affairs  
Staff, after his return. If, however, the Office of Research and  
25X1 Reports has a particular requirement for his services, such that  
detailing [REDACTED] to us would cause complications within his  
parent office, I would not want to insist on the detail.

2. In any event, though his technical skills are ones we  
definitely can use and from his file he seems like a competent officer,  
I would want to interview him personally before the assignment was  
definitive. We have a small group, as you know, and I like to talk  
to each prospective new member myself before requesting formally  
that he join us.

George A. Carver, Jr.  
Special Assistant for Vietnamese Affairs
